ADDENDUM No. 2
March 20, 2018

RE: Express Feeder North
Ball State University
BSU Project No. 2018 – 044.01 XU

FROM: Ball State University
Facilities Planning and Management
Showalter Building
3401 North Tillotson Avenue
Muncie, Indiana 47306

TO: Prospective Bidders

This Addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated February 28, 2018 as noted below. Acknowledge receipt of this Addendum in the space provided on the Bid Form Supplements. Failure to do so may subject Bidder to disqualification.

This Addendum is issued in accordance with the provisions of the Instructions to Bidders (AIA A701, 1997 Ed.) and Supplementary Instructions to Bidders Documents of the Project Manual.

This Addendum was created to address questions received during the bid period. This Addendum consists of one (1) page.

Clarifications

1. For clarification, Alternate Bid #2 only affects the cabling and terminations as stated in the alternate bid description and as shown on the drawings. The “build out” of manhole E-30 with sump pump and cable racks as shown is part of the base bid and shall be installed regardless of whether Alternate Bid #2 is accepted or not.

Changes to the Drawings

1. Sheet CS – Under BASIS OF DESIGN MAJOR ELECTRICAL MATERIALS Note 1, Change “CONCENTRIC SHIELD” TO “COPPER TAPE SHIELD”. The part number shown is correct for copper tape shield type cable and is the type of cable required.
