PHONE, EMAIL, AND PRE-BID MEETING QUESTIONS & ANSWERS

QUESTION #1: Please clarify the intent on the type of curb to be installed along the sides of the new drive to Woodworth dock. 3 types of curbs are detailed. The mountable is understood, however, the drive shows both keynote #4 and #6. C201-A appears to be curb and gutter where LA201-A appears to be standing curb.

ANSWER #1: Refer to C201-A for curb type designations. Disregard all instances of keynote #4 [concrete straight curb] along the new service drive. Keynote #6 [chairback curb and gutter] is correctly shown in appropriate locations.
